Permit Information

W-300 : Yearly Permit
Fee: $100.00 (each)
Maximum Dimensions (Yearly Permit W-300);
Width= 12'6" x Height= 14'6" x Length= 75'

This permit is required for any oversize overweight vehicles, or loads theron, and for any special mobile equipment operated on a public highway (i.e., mobile cranes, loaders, scrapers, etc.) All special mobile equipment operated on a public highway is required to have displayed on the rear a "Slow Moving Triangle" sign, and is required to be operated to the right of the roadway when traffic is present. Permit is valid for one (1) year from the date of issuance, unless notified that your insurance is cancelled.

Permit Application Completion Information

Top line information must be complete if in the event it is special mobile equipment for which the permit is being obtained, and the weight of the equipment must be specified.
Axle Spacing: must be filled in.
Tires: Only tire size needs to be filled out in the tire section. Load Weight: To be filled out if known.
Dimensions: Vehicle and load is the only part to be filled out.

W-500 : Special Transportation Permit
Fee: $50.00 (each)

This permit is required for any vehicles or equipment that exceeds the Yearly W-300 cab card limitations or a single trip move basis.

Permit Application Completion Information

Upper section must be complete. Permit is only valid for 72 hours. No moves on holidays, Sundays, after 6:00pm or prior to 6:00am or during frost restrictions. Pilot vehicle will be required for all moves
in excess of 13'6" wide, and two (2) pilot vehicles will be required for all moves in excess of 14'.
Driver must obey the speed limit outlined in the permit. No permit will be issued for moves whose origins and destination are both out of the City of Novi (i.e., no cut-through permits). Only the number of tires, size of tires and axle spacing are required in the lower section of the form.

This permit can be obtained by contacting Rachel Rains at (248) 347-0515, only after the company is on record with the Police Department, along with current insurance. Requesting person is responsible for the prompt payment of the permit. If the company fails to pay promptly, no further permits will be issued unless payment is received first.

	Normal Loadings When Restrictions Are Not In Force		Loadings When Restrictions Are in Force		
Spacing Between Axles	Class "A"	Class "B"	All-Weather Routes	Class "A"	Class "B"
9 Feet or Over	18,000 lbs.	18,000 lbs.	18,000 lbs.	13,500 lbs.	11,700 lbs.
More than 3 ½ feet, but less than 9 feet	16,000 lbs.	13,000 lbs.	16,000 lbs.	9,750 lbs.	8,450 lbs.
When less than 3 ½ feet, the combined weight shall not exceed	18,000 lbs.	18,000 lbs.	18,000 lbs.	13,500 lbs.	11,700 lbs.
Maximum load on any wheel shall not exceed (lbs. per inch of tire width)	700 lbs.	700 lbs.	700 lbs.	525 lbs.	450 lbs.
